This is a really good time to apply for GP!

We are pleased to be able to offer more GP training places in Northern Ireland this year. This year you can also rank your programme options within Northern Ireland.

So if you have been thinking about it, this is the year to do it. General Practice is a rewarding, career choice with flexible career development.

Applications open on the 8th November and close on 30th November. Applications are made through the NRO website. https://gprecruitment.hee.nhs.uk/

Kind regards,
Dr Michele Stone

Engage Showcase Event

NIMDTA and the HSC Leadership Centre hosted the 1st annual Engage Showcase Event on 11th September 2017. The event was the final module of the ENGAGE Clinical Leadership and Improvement programme which enabled trainees to showcase their learning and achievements by presenting Quality Improvement Projects. Sick Leave

Always remember to notify us when you have time out of your placement due to sick leave. It is important that we maintain an accurate record of any and all sick days.

Please notify us on the 1st day of your absence and include the nature of the illness as we need this information for HR purposes.

If you are off for more than 7 days or more you will need to submit a Certificate, dated from the first day of your absence.

Who to contact when your off sick?

ST1/2 Hospital Placement
- Medical HR/RTA Manager
- GP Specialty Training - Elly Farmer or Mandy Boyle
