The lecture series honour Dr Perry Harrison, a founding member of the Royal College of General Practitioners. This inaugural lecture was introduced by Dr Grainne Doran, Chair of the RCGP NI. Dr Hart spoke on ‘Why I am a GP’.

The FMLM Trainee Steering Group is conducting a survey to see how FMLM can help trainees access better management roles. We hope to use the data from the survey to determine the barrier to trainees becoming more involved in leadership and management.

Public Health Agency’s Guide to Looking after your Mental Health this festive season:

- Connect: Make time for family and friends over the Christmas period;
- Be active: It may be cold outside, but that doesn’t mean you can’t exercise. Go for a walk or run, cycle, play a game, garden or dance. Exercising makes you feel good;
- Take notice: Stop, pause, or take a moment to look around you;
- Keep Learning: Don’t be afraid to try something new, rediscover an old hobby or set yourself a new challenge over the holidays;
- Give: Don’t be afraid to give and accept support – being available for others if they need support should encourage them to be there for you too.

Reminder

1. ESR Submission date is the 18th January 2018
2. All ST2 trainees in a GP Practice: please ensure you have completed all 36 OOHs, also make sure you have submitted all OOHs forms to NIMDTA and uploaded them to ePortfolio by the 18th January 2018

Attention ST2 Trainees: Moving to GP in February?

There are a few things you need to do before starting a General Practice post for the first time:
1. Apply for Northern Ireland Performers List
2. Submit your Enhanced Disclosure Certificate—Access NI with your application (if you do not have a Disclosure Certificate you must apply for this also)
3. Inform your Medical Indemnity Cover provider your moving to a GP post

For more information on this please see email that was sent on the 29th of November or contact us for further help.

The Mock CSA

The ST3 Mock CSA took place at the Wellington Park Hotel in Belfast on the 7th of December this year.

The Mock CSA gives trainees a chance to get a feel for how the real CSA works and allows them to practice consultations with simulators and assessors and then receive feedback on their performance.

Northern Ireland deanery are one of the few deaneries to offer ST3 trainees the opportunity to participate in a ‘Mock’ CSA.

We would like to thank the GP Trainers who attended to assess the trainees – we appreciate your help with this day. We hope all the ST3 trainees that participated found it useful in helping them prepare - good luck for the real CSA!

ST3 GP Research Posts—Apply Now!

Applications for the GP Research ST3 posts are now open!

If you are moving to ST3 between the 1st June 2018 and 31st May 2018 then you are eligible to apply. CLICK HERE for more information. Application closing date is Wednesday 17th January 2018 at noon.
