# Key advances in the diagnosis and management of: COPD

## Thursday 1 November 2007

---

### Educational aims & objectives:

The aim of this one day conference is to inform those attending of the key advances in the diagnosis, identification and management of COPD. This will be set in the context of epidemiology of COPD and recent initiatives in Northern Ireland and other parts of the UK to deliver high quality care for patients with this condition.

### Who should attend?

Members of primary and secondary care teams involved in the management of people with COPD. This course is aimed at doctors, nurses and allied health professionals.

9.25 am        **Registration and coffee**

9.45 am        **Welcome address**  
*Professor Michael Finch, Sub-Dean Ireland Region, Royal Society of Medicine*

### SESSION ONE

**Chair:**        *Professor Stuart Elborn, Consultant Physician, Belfast City Hospital & Queens' University, Belfast*
