### E. Induction

Have you attended a hospital induction course? Yes  No  DNA

	Very dissatisfied 1	2	3	4	Very Satisfied 5	DNA
If yes, how satisfied were you with it?						
<b>Answer:</b>	<b>0</b>	<b>0</b>	<b>1</b>	<b>5</b>	<b>1</b>	<b>0</b>

Did you receive an induction into your current unit / ward? Yes  No

#### *Have you received adequate guidance on:*

Basic Cardiopulmonary Resuscitation Yes  No

Advanced Cardiopulmonary Resuscitation Yes  No

Breaking Bad News Yes  No

Pain Control Yes  No

Did you receive a hospital handbook / list of protocols Yes  No

	Useless 1	2	3	4	Very useful 5	DNA
If yes, how useful has this been?						
<b>Answer:</b>	<b>0</b>	<b>0</b>	<b>1</b>	<b>3</b>	<b>2</b>	<b>2</b>

### F. Conditions of Work

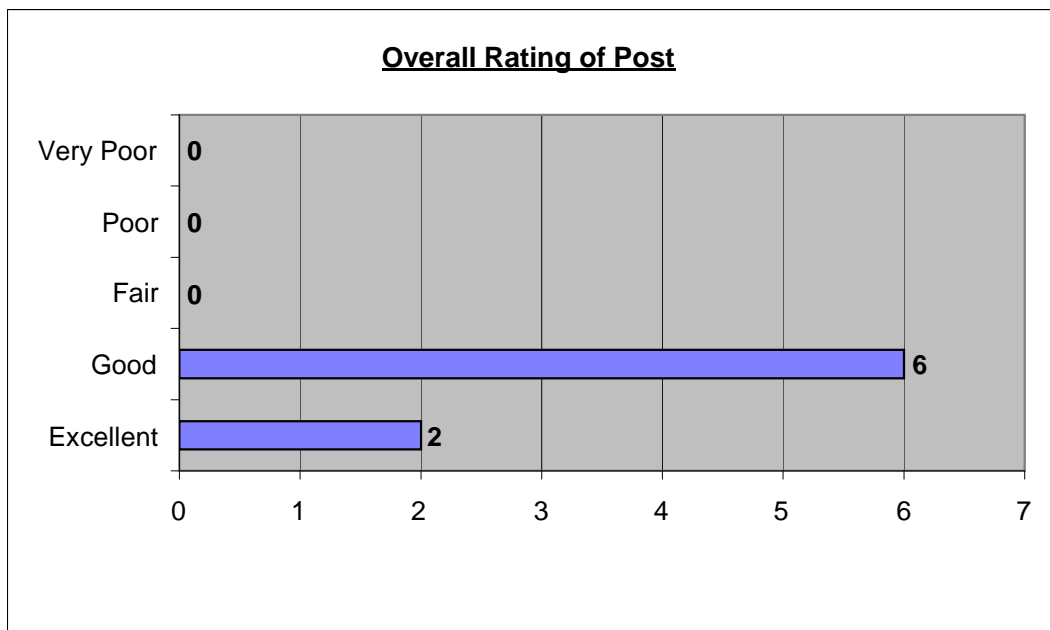

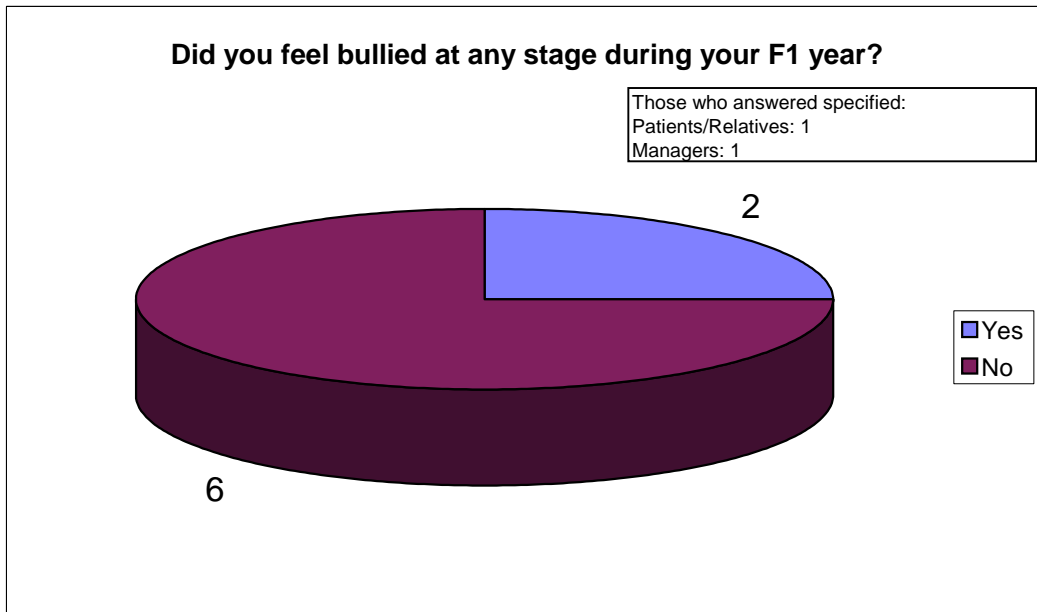

When out duty out-of-hours, are there provisions for hot food? Yes  No

Did you receive a course of Hepatitis B immunisations as a student? Yes  No

Is the protection of possessions against theft adequate at your Hospital Yes  No

Is the protection of staff against violence adequate at your hospital? Yes  No

## Daisy Hill Hospital 2005 - 2006

### **Educational Experience Improvements**

Encourage more PRHO relevant surgical teaching. Renal/Medical is excellent.

### **Working Experience Improvements**

Nurses should do bloods if trained to do so. The majority do not cannulate and they are supported by senior nurses.

#### **COMMENTS:**

Good experience

Very good year, I have had some issues with nurses but the majority are easy to work with. The rota could be improved. The 'hospital at night programme' has influence working at night, this may make life more difficult for the PRHO on cover - it focuses largely on nursing issues and is largely nurse led.
