## Lagan Valley Hospital 2005 - 2006

### **Educational Experience Improvements**

Bleep holder 13 is not protected from bleeps during teaching.

Protected teaching sessions

### **Working Experience Improvements**

More doctors at weekends and experienced cover out of hours. Not having to do so many blood etc

Adequate staff levels to ensure breaks obtained

### **COMMENTS:**

Excellent training post. Consultants very involved in patient care therefore excellent training opportunities.
