Northern Ireland School of Psychiatry Training Programme
Core Trainee Job Description

Reports to:	Consultant Psychiatrists in the employing Trust and the Postgraduate Dean
--------------------	---

Contact Information:	<u>Head of School for Psychiatry</u>	<u>Deputy Head of School for Psychiatry</u>
	<p>Dr G Loughrey Consultant Psychiatrist Knockbracken Healthcare Park Saintfield Road Belfast BT8 8BH Tel: 028 9056 5201</p>	<p>Dr B Mangan Consultant Psychiatrist Craigavon Area Hospital Lurgan Road Portadown BT63 5QQ Tel: 028 3833 4444</p>

MAIN ACTIVITIES / RESPONSIBILITIES:	
Clinical	The Core Trainee will be part of the Community Mental Health Team. He/she will work alongside the Consultant and gain experience in multidisciplinary team management/team building as well as clinical experience at clinics and clinical team meetings. He/she will also have a role in managing inpatients under the Consultant's supervision and will also have opportunity to attend management meetings and Mental Health review tribunals.
Managerial	The Core Trainee will have the opportunity to develop managerial skills as he/she rotates through the various hospitals. Trainees should undertake a formal management-training course during the final year of training.
Research	The Core Trainee will be expected and encouraged to have an active interest in research and publication. This does not necessarily mean taking a year or two years out-of-programme to work towards an MD or PhD unless he/she also wishes to undertake sub-specialist training.

Audit	The Core Trainees will be expected and encouraged to have an active interest in audit and will be expected to undertake audit projects during his/her period of training.
Education	The Core Trainee will be expected to attend the various educational opportunities provided in his/her own hospital and those provided on a regional basis. Trainees should also where appropriate assist in the training and education of others.
Assessment	Core Trainees will be invited to meet the specialty Training Programme Director annually and have their performance assessed within three months of completion of each year of their training programme.

PLACEMENT ARRANGEMENTS:

Placements between hospitals are administered by the Board of the School of Psychiatry and are determined usually on a yearly basis according to the Trainee's educational and training needs. Trainees will rotate through the various hospitals and subspecialties within the Training Scheme. The Postgraduate Dean has confirmed that these posts all have the required educational and staffing approval. Excellent postgraduate facilities exist at all units.

Further information on hospitals in Northern Ireland is available at www.hscni.net

This job description will be subject to review in the light of changing circumstances and may include other duties and responsibilities as may be determined. It is not intended to be rigid and inflexible but should be regarded as providing guidelines within which the individual works.

Please note that the Health and Social Services organisations operate "No Smoking" policies and all employees must comply with this policy.
