Northern Ireland School of Psychiatry Training Programme

Psychiatry of Old Age Job Description

Reports to:	Consultants of Psychiatry of Old Age in the employing Trust and the Postgraduate Dean
--------------------	---------------------------------------------------------------------------------------

Contact Information:	<u>Training Programme Director</u> Dr Jim Anderson Consultant Psychiatrist Ards Hospital Church Street Newtownards BT23 4AS Tel: 028 9151 0106
-----------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------

MAIN ACTIVITIES / RESPONSIBILITIES:	
Clinical	The ST4 Trainee will work at part of a team in each clinical post. As the trainee rotates through various posts he/she will work along side the Consultant to gain experience in various setting in which psychiatry today is practiced. The Trainee will gain experience in multidisciplinary team management and team building. He/she will also have the opportunity to attend management meetings and Mental Health Review Tribunals.

Managerial	The ST4 Trainee will have the opportunity to develop managerial skills as he/she rotates through the various hospitals. Trainees should undertake a formal management-training course during the final year of training.
Research	The ST4 Trainee will be expected and encouraged to have an active interest in research and publication. This does not necessarily mean taking a year or two years out-of-programme to work towards an MD or PhD unless he/she also wishes to undertake sub-specialist training.
Audit	The ST4 Trainee will be expected and encouraged to have an active interest in audit and will be expected to undertake audit projects during his/her period of training.
Education	The ST4 Trainee will be expected to attend the various educational opportunities provided in his/her own hospital and those provided on a regional basis. Trainees should also where appropriate assist in the training and education of others.
Assessment	ST4 Trainees will be invited to meet the specialty Training Programme Director annually and have their performance assessed within three months of completion of each year of their training programme.
Other Work Related Requirements	ST4 Trainees must either have a full driving license and access to a car or access to a form of transport which will permit the full requirements of the post to be met, including availability for on-call

PLACEMENT ARRANGEMENTS:

Placements between hospitals are administered by the Board of the School of Psychiatry and are determined usually on a yearly basis according to the Trainee's educational and training needs. Trainees will rotate through the various hospitals and subspecialties within the Training Scheme. The

Postgraduate Dean has confirmed that these posts all have the required educational and staffing approval. Excellent postgraduate facilities exist at all units.

Further information on hospitals in Northern Ireland is available at www.hscni.net

This job description will be subject to review in the light of changing circumstances and may include other duties and responsibilities as may be determined. It is not intended to be rigid and inflexible but should be regarded as providing guidelines within which the individual works.

Please note that the Health and Social Services organisations operate "No Smoking" policies and all employees must comply with this policy.

AN EQUAL OPPORTUNITIES EMPLOYER
