

Save the date for Campaign's third one-day scientific conference

Join Campaign as we bring together researchers from the UK and Europe to celebrate achievements in breast cancer research

Scientific programme

- Covering all aspects of breast cancer research, from prevention right through to treatment and beyond
- Eminent keynote speakers
- Scientific presentations from the best abstract submissions
- Extensive selection of poster presentations

Abstract and registration information

- Abstract submission and registration will be **open to all**, not just Campaign-funded researchers
- Information and deadlines will be available shortly

For more information

- Visit the [conference website](#) to register your interest to receive conference announcements
- Contact the conference secretariat at Campaign@hamptonmedical.com

About Breast Cancer Campaign

Breast Cancer Campaign funds innovative world-class research throughout the UK and Ireland. Over the past 13 years, the charity has awarded 261 grants worth over £26 million and has an annual research spend of over £5 million.
