HEALTH ON THE NET NORTHERN IRELAND

Queen's Medical Library NI Health & Social Services Library

"The Central Library for Health, Social Care & Public Safety staff in Northern Ireland"

Services for NI Health & Social Care Staff

All HSC & PS staff in Northern Ireland can join the Medical & Healthcare Library and avail of the following services:

- Access to an extensive collection of electronic resources: databases, e-Books and 1000's of electronic journals
- Online requesting & electronic delivery of journal articles
- Training in use of electronic resources
- Profession-specific support
- Advice on literature searching
- Book loans
- Online book renewals & library account management
- Photocopying & study facilities

Electronic services are provided via the honni website at www.honni.qub.ac.uk.

How do I access services?

- Join the Medical Library using the Registration Form available from http://www.qub.ac.uk/sites/media/Media_53076,en.pdf
- You will be issued with a membership card, and a username and password to access electronic resources
- Log on to honni from any internet PC (at work, at home, or in one of the libraries)
- Borrow books and use facilities at relevant library sites
- Ask for help at any time!
