

MRCP PACES TRAINING - Glasgow College

*"Really useful
set of evenings -
makes PACES
seem more
achievable"*

*"This course has
helped me work
out which areas
of the exam to
focus on"*

*"Excellent
course - I would
recommend it
to others"*

*Interactive sessions
with experts*

31st Aug - 28th Sep 2011
10th - 31st January 2012
1st - 31st May 2012

This series of MRCP PACES Training Evenings will be hosted by experienced PACES experts, over five evenings, in the College, and videolinked to centres in Aberdeen, Belfast, Dumfries, Inverness, Hull and Malta. It will show candidates what is required of them in PACES and assist with their preparations. A “live” demonstration of each of the 5 Stations in PACES will be held, over one hour each, in the lecture theatre – using a patient and a candidate with two examiners.

This course will:

- Explain the skills-based marking scheme used in PACES and how to score well in all skills
- Allow you to get behind the scenes to watch examiner calibration and find out what the examiners look for from the candidate
- Show the five PACES stations being performed live with real candidates and real patients – including the discussion with the examiner
- Provide tips on physical examination technique and common pitfalls
- Reveal where candidates drop marks in their discussion with examiners
- Present the common issues that are fed back to candidates who have failed

The event is live and for you – you can ask any questions you want!

Registration for each session is from 5.45pm – 6.15pm (with buffet refreshments) and the session will finish at approximately 7.30pm.

Station 1	Wednesday 31st August 2011 Tuesday 10th January 2012 Tuesday 1st May 2012	Respiratory System Abdominal System
