

RCPATH Foundation Fellowships

The College makes available 25 Foundation Fellowships annually. The Foundation Fellowship Scheme is open to Foundation doctors who secure a Foundation post in which they will rotate through a pathology specialty between 1 August 2024, and 31 July 2025. The pathology specialties include histopathology, haematology, medical microbiology, chemical pathology, or any other specialty represented by the College.

Foundation Fellows receive opportunities to get involved in a range of College activities, meetings, and events.

The closing date is Monday 08 July 2024. Successful candidates will be informed by the end of July 2024.

More information can be found on the [College website](#). If your department has placements for Foundation doctors, please encourage them to apply.
