

# Foundation Update

Issue #354 - 17th November 2023

Click on the blocks below to be linked to their subject.

## Courses & Events

The UKFPO welcome all Foundation doctors to our third webinar of the training year, which will be focused around sustainability in healthcare, and specifically sustainable quality improvement (QI). Our panel of experts will discuss these concepts and how you may approach incorporating sustainability into your QI projects, research and work. This will be taking place on Tuesday 12th December 2023 from 14:00 to 15:00pm

## Important Foundation Surveys

Many thanks to those of you who participated in part one of the induction survey for the Severn Deanery. This second survey is designed to provide further information which will be used to develop our induction programme for trainees in the future. Click here for more information

Foundation Doctors are invited to complete the linked survey for research being conducted by Dr Aysha Nijamudeen who is working with the UKFPO to improve inequalities in access to training opportunities for foundation doctors in the UK. All responses are anonymous. Click here to be directed to the survey.
