

CE SPRING UPDATE

Happy Easter

We'd like to take this opportunity to wish you and your family a Happy Easter. Many of you will still be feeling the affects of COVID19. NIMDTA still remains closed at present with skeleton staff working voluntarily in the office. The mornings are brighter and the nights are longer and it is inspiring hope that Spring will bring an ease in restrictions and a step towards normality.

BUZZING INTO YOUR INBOX

By now you should have received your electronic Dental Courses Poster for the April - June 2021 courses.

This term courses are all being delivered via ZOOM, hopefully there are topics that meet your developmental needs and meet your PDP requirements.

A number of our Autumn / Winter 2020 Hands on Courses have been rearranged for Autumn / Winter 2021 to facilitate the changing restrictions around face to face training.

AVAILABLE TO BOOK

NEBDN POST CERTIFICATE IN DENTAL RADIOGRAPHY FOR DENTAL NURSES

- THE FIRST ACCREDITED FACE TO FACE TRAINING IN RADIOGRAPHY FOR DENTAL NURSES AVAILABLE IN NORTHERN IRELAND
- BEGINNING MAY 2021
- DELIVERED ON SATURDAYS
- DELIVERED VIA ZOOM & FACE TO FACE

AVAILABLE TO VIEW NOW

DENTAL COURSES INTERACTIVE BOOKLET

SIMODONT SUITE

UNDER CONSTRUCTION:

We are very excited to announce the forthcoming opening of the new dental simulation suite, which will house 10 haptic Simodont simulation units. These units will support all dentists in NIMDTA training schemes and CE courses to upskill in the areas of manual dexterity and preparations for caries, crown and access cavities for both permanent and deciduous dentitions. This suite is the first of its kind in NI and we look forward to hearing your feedback on its use.

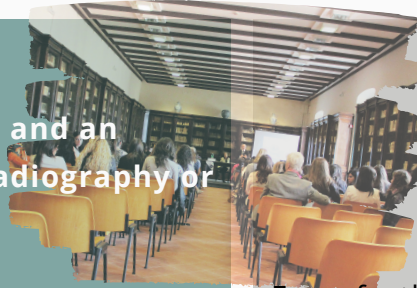

We will soon be recruiting for **Dental Clinical facilitators** for the simulation suite to help deliver on our programmes. Information on recruitment opportunities can be viewed [here](#).

Expressions of Interest

Do you have a passion for education and an interest in Special Care Dentistry, Radiography or Oral Health Education?

We are keen to expand our list of facilitators delivering NEBDN accredited Post-Certificate courses.

If you would like to register your interest in delivering on our programmes please email: dentalcourses.nimdta@hscni.net

Applications Open

**EDUCATIONAL SUPERVISOR
(TRAINER)**

For further information please visit <http://www.nimdta.gov.uk/recruitment/dental-recruitment/>.

Applications will be available on <https://jobs.hscni.net/> and must be submitted by 12pm on Tuesday 13th April 2021.

LAST CHANCE TO BOOK:

ENSURE YOU'RE WORKING TO BEST PRACTICE WITH YOUR VENTILATION, FILTRATION & FALLOW TIMES IN THIS ENGAGING LECTURE FROM PAUL RIDDICK.

BOOK NOW

NIMDTA will be closed for the Easter holidays from Friday 2 April to Tuesday 6 April inclusive.
