

Dear Colleague

The four UK statutory medical education bodies have launched a stakeholder engagement exercise, facilitated by the UK Foundation Programme Office (UKFPO), to explore a possible change to the allocation process for the Foundation Programme for 2024.

Full details can be found on the UKFPO website :

We would love to hear your views! You can get involved by completing the survey at <https://poll.hee.nhs.uk/s/35RXG1/> using the 'an individual' option listed in the survey.

The deadline for responses is 5pm on Tuesday 28 February 2023

Please note that UKFPO are unable to provide individual replies to responses and representations received so ask that you use the survey to let us know your view.

The responses to the engagement will be looked at and the final decision on the way forward will be announced in Spring 2023.

Many thanks

UKFPO Team
