

# Dental CE Newsletter

August 2020

Welcome to the latest Dental CE newsletter. We are pleased to announce that Adrian Farquharson has recently been appointed as Associate Postgraduate Dental Dean. Congratulations Adrian

The rebuilding work that we have ahead of us as we recover from COVID-19 is a great opportunity to re-evaluate how we deliver our care to our patients, how we move forward, work as a team and how we really add value to the care that we offer.
