How to access your NHS ePortfolios account from the Turas Dashboard

1. Firstly, sign in to the Turas Dashboard using your Turas username and password. On your Turas Dashboard, you will notice a new link entitled "+ Add Applications" in the top right, above your existing dashboard tiles:

Home User Search						
Welcome to TURAS Turas is NHS Education for Scotland's (NES) new single unified digital platform for health and social care professionals. From here you can access all your NES applications with a single secure sign on. Our aim is to provide you with the information and resources you need to support you throughout your career in the public sector. For people working in health and social care

- 6. Having successfully provided your details, you will then be logged-in to NHS ePortfolios, and placed into the role last used in your account. The link between your Turas account and your NHS ePortfolios account has now been established and when you next click the "NHS ePortfolios" tile on your Turas Dashboard you will automatically be logged-in to NHS ePortfolios without having to re-enter your NHS ePortfolios details.
- 7. Within NHS ePortfolios, you can always return to the Turas Dashboard at any time by selecting "Turas Dashboard" from the first drop down menu, entitled "Select Role".
