

Attention Future F1s Starting August 2024!!!

We have more Foundation Programme choices available in NI than ever before!

Check out our Foundation Programme listings for August 2024 to 2026 here:

[Foundation Recruitment \(nimdta.gov.uk\)](http://nimdta.gov.uk)

Our recently expanded programme includes many exciting new specialties previously unavailable to NI Foundation doctors such as:

- ✓ Anaesthetics
- ✓ Rehabilitation Medicine
- ✓ Palliative Medicine
- ✓ Child & Adolescent psychiatry
- ✓ Dermatology
- ✓ Stroke Medicine
- ✓ Rheumatology
- ✓ Microbiology

We also have more of our popular posts in GP, ICM, Paediatrics, T&O, and Renal medicine.

So why not #ChooseNI as your first choice?

Almost 90% of those allocated to Northern Ireland in 2023 ranked us as their first choice – There's a reason for that...
